

Penguin Random House preferred educational distributors

Adams Book Company

“Adams Book Company was established in 1945 by educators. We serve the K-12 educational community as a single source provider of any book in print. We are committed to supplying teachers with new paperback literature, new textbooks and reconditioned used textbooks all at the best possible prices. To give our academic customers the best possible shopping experience we combine the convenience of an informative website with the ability to call a toll free number to our customer service department.”

Steps to Literacy

“Our Mission is to partner with educators to ignite a passion for reading. In keeping with that mission: our team of Curation Specialists are all former educators. The Curation Specialists use their expertise to create libraries and custom book bundles based on curriculum, reading levels, genre, standards, and dozens of other customizable options. Our collective vision is to provide accessible and exciting books to children so they can explore the world, cultures and themselves through reading. We work with more than 200 publishers to ensure each collection is filled with high-interest and recently released titles that will encourage curiosity and a desire to read in every student.”
